The image shows a close-up of a dark, textured material, likely leather or a synthetic material designed to mimic crocodile or alligator skin. The texture is characterized by large, irregular, scaly scales that are arranged in a pattern that curves across the frame. The lighting is dramatic, highlighting the ridges and grooves of the scales, creating a strong contrast between the bright highlights and the deep shadows. The overall color palette is dark, ranging from deep black to dark brown and greenish-black tones.

FW 21/22

The image features a close-up, high-contrast photograph of crocodile and alligator leather. The crocodile leather, on the left, is characterized by its large, irregular, diamond-shaped scales. The alligator leather, on the right, has a more regular, rectangular scale pattern. The lighting is dramatic, highlighting the texture and depth of the scales.
